

DENVER HEALTH JOURNEYS

Information from your community partner in health and wellness.

June 2024

Child Life team puts families first

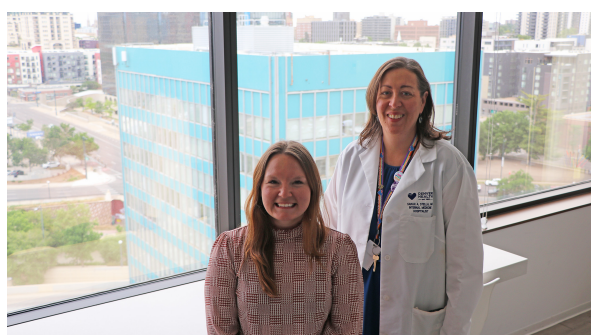

Part of the Inpatient Pediatric Program at Denver Health, the Child Life team leaves an indelible impact on every child and family they encounter. “They’ve taken how we feel as parents, and how she feels as the patient, and put that as a priority above all else.”

DID YOU KNOW?

Denver Health’s [Level 1 trauma center](#) has a 98% survival rate? Orthopedic trauma patient Darian Simon survived a shooting that doctors say decimated his right thigh bone and caused a tremendous loss in blood. He tells the story of how Denver Health’s world-leading orthopedic trauma team saved him and put his leg back together.
